*Success **without** a College Degree*

Attention Parents!

Are you questioning if a four-year college is the right fit for your child? Is your child a hands-on learner who has difficulty learning in a classroom setting? Is your child undecided about what to do after high school? Do you want to learn more about career options and choices?

JOIN US

for a panel discussion with professionals representing careers, training programs and apprenticeships!

Learn from professionals in the field about pathways within their career, skills needed, training opportunities and the outlook for growth in their chosen career. Hear their stories and expand your child's options.

Fields and programs represented:

Manufacturing, Construction, Healthcare, Automotive, North Montco Continuing Education and MCCC Career Training Programs
